What better way to express those feelings than with flowers. Flowerama has been creating lasting memories for our customers for more than 85 years.

A few things to consider before meeting with Flowerama:

1. **Style:** Bring photos of styles you like to your floral consultation.
2. **Color:** What color scheme have you selected?
3. **Time:** Does the style and color scheme fit the time of day and season of the wedding?
4. **Budget:** The average couple spends 10 to 15% of their overall budget on flowers.

Ask us how to make the most of any budget.

Prior to our consultation please spend some time and review a list of your floral needs to ensure that nothing is forgotten.
